

## **Workshop: Medical Interpreting as a Profession**

### **Workshop Snapshot:**

**Medical Interpreting as a Profession** will focus on interactive discussions about the requirements for being a medical interpreter, getting certification, and the overall steps to success in medical interpretation.

The workshop is designed to give you the information and direction to take action, so you can improve your skills or advance in your profession as a medical interpreter.

**Who will be presenting:** Our certified medical interpreters with experience in the field, and clients who have worked closely with medical interpreters.

### **Who should attend:**

- interpreters who wish to gain more insight into the field
- those who are thinking of becoming medical interpreters
- those who are bilingual or proficient in a second language, but have not interpreted professionally before
- those who already have medical training or experience, but have not interpreted professionally before

**Cost:** \$60 if attending in person, \$45 if online.

**Date:** Saturday, November 15, 2014, 10 am – 1 pm

**Location:** Monterey language Services  
2600 Garden Road, Suite 130  
Monterey, CA 93940

**How to register:** Please email your registration form (see below) to Ana ([ana@montereylanguages.com](mailto:ana@montereylanguages.com)).

**Payment:** Please pay in advance before November 10. Check or Credit Card is welcomed.
